

2018 - 2019 ESEA Application Work Sessions – June 2018

These hands-on sessions will allow school districts and charter schools to work on the fiscal and programmatic components of their Fiscal Year 2019 *ESEA* Consolidated Subgrant applications, while staff members from the NJDOE's Office of Grants Management, program offices and county offices are available to provide technical assistance and answer fiscal and programmatic questions.

Select a date and time from the following listings to see additional information and to register for a work session, or check the [NJDOE Calendar of Events](#) for information about all sessions.
